Sovrin Foundation and Transaction Endorser are individually referred to herein as a “Party” and collectively as the “Parties.”

WHEREAS, the Transaction Endorser desires to endorse Transactions written to the Sovrin Ledger by Transaction Authors;

WHEREAS, the Sovrin Foundation desires to grant permission to the Transaction Endorser to endorse Transactions written to the Sovrin Ledger by Transaction Authors;

WHEREAS, subject to the Transaction Endorser complying with the terms and conditions of this Agreement and during the Term of this Agreement only, the Sovrin Foundation grants permission to the Transaction Endorser to write Transactions to the Sovrin Ledger;

WHEREAS, subject to the Transaction Endorser complying with the terms and conditions of this Agreement and during the Term of this Agreement only, the Transaction Endorser accepts permission from the Sovrin Foundation to write Transactions to the Sovrin Ledger;

FOR GOOD AND VALUABLE CONSIDERATION, THE SUFFICIENCY OF WHICH IS HEREBY ACKNOWLEDGED, THE PARTIES AGREE AS FOLLOWS:

1) Definitions

Unless otherwise defined above, all capitalized terms used in this Agreement shall have the meanings given to them in this Agreement or in the [Sovrin Governance Framework](#) and corresponding [Sovrin Glossary](#). The Sovrin Governance Framework and Sovrin Glossary is incorporated into this Agreement by reference only for purposes of use of such defined terms.

2) Permission to Endorse Transactions to the Sovrin Ledger

- a. The Sovrin Foundation grants to the Transaction Endorser the revocable right to endorse Transactions written to the Sovrin Ledger by Transaction Authors during the Term of this

Agreement only provided that the Transaction Endorser remains in compliance with all of its obligations under this Agreement.

- b. To endorse a Transaction, a Transaction Endorser will sign a Transaction Author's Transaction, so the Transaction will be accepted by a Validator Node.
- c. Once an initial Transaction has been written to the Sovrin Ledger by the Transaction Author ("Initial Transaction"), the Transaction Author is granted permission to make additional Transactions to update the state of a previous Transaction ("Update Transactions"). A Transaction Author may make Update Transactions if and only if the Transaction Author was the Author of the Initial Transaction. Update Transactions are Transactions and are subject to all the terms of this Agreement. Transaction Endorser is permitted to endorse such Transactions.

3) Transaction Endorser Obligations

- a. Transaction Endorser agrees to endorse all Transactions submitted to it by a Transaction Author unless it is prohibited to do so by the terms of this Agreement.
- b. Transaction Endorser agrees to pay the Sovrin Ledger Fee for a Transaction as specified by the Sovrin Ledger Fee Table published on the Sovrin Foundation website at <https://www.sovrin.org/>.
- c. Transaction Endorser may onboard Transaction Authors to the Sovrin Ledger. In doing so, Transaction Endorser must ensure that each Transaction Author it onboards signs a Transaction Author Agreement.
- d. With regard to all Transactions written by or on behalf of the Transaction Author to the Sovrin Ledger ("**Authored Transactions**"), the Transaction Endorser represents and warrants that it will not endorse Transactions containing Personal Data as that term is defined in the European Union's General Data Protection Regulation ("**GDPR**") until Sovrin Foundation permits Authored Transactions to contain Personal Data.
- e. Transaction Endorser shall maintain effective information security policies and procedures and systems in accordance with applicable law that include administrative, technical and physical safeguards designed to (i) ensure the security and confidentiality of personal information and Personal Data; (ii) protect against anticipated threats or hazards to the security or integrity of personal information and Personal Data; (iii) protect against unauthorized access or use of personal information and Personal Data; and (iv) ensure the proper disposal of personal information and Personal Data. All personnel handling personal information and Personal Data shall be appropriately trained in the implementation of such information security policies and procedures. Transaction Endorser will permit Sovrin Foundation to audit and review Transaction Endorser's information security policies and procedures and systems to maintain their continued effectiveness and determine whether adjustments are necessary in light of circumstances including, without limitation, changes in technology, customer information systems or threats or hazards to personal information.

4) Term and Termination

- a. This Agreement commences on the Effective Date and shall remain in force until terminated by either Party pursuant to this **Section 4 (Term and Termination)**.
- b. Either Party may terminate this Agreement: (a) if the other Party has materially defaulted in the performance of any of its obligations under this Agreement and has not cured such default within fifteen (15) business days of receipt of written notice from the non-defaulting Party of such default; (b) by giving the other Party thirty (30) calendar days' written notice; or (c) immediately in the event of any government sanctions or other legal measures that make it unlawful for the Transaction Endorser to endorse a Transaction written to the Sovrin Ledger by a Transaction Author.
- c. Upon termination or expiration of this Agreement for any reason the rights granted to Transaction Endorser under this Agreement automatically terminate.

5) Governing Law and Forum

This Agreement is governed by the law of the State of Delaware, without reference to conflict of laws principles. All disputes arising out of or in connection with this Agreement shall be finally settled by binding arbitration under the Rules of Arbitration of the International Chamber of Commerce by a single arbitrator appointed in accordance with the said Rules. Unless the Parties otherwise mutually agree, such arbitration shall be conducted in the English language by electronic exchange of documents and by videoconference. The arbitrator shall issue a reasoned decision, including findings of fact and conclusions of law. The arbitrator shall require exchange by the Parties of documents relevant to the issues raised by any claim, defense, or counterclaim or on which the producing Party may rely in support of or in opposition to any claim, defense, or counterclaim, with due regard for eliminating undue burden and expense and the expedited and lower cost nature of arbitration. At the request of a Party, the arbitrator may at his or her discretion order the deposition of witnesses. Depositions shall be limited to a maximum of three depositions per Party, each of a maximum of four hours duration, unless the arbitrator otherwise determines. Demand for arbitration may be initiated by either Party on fifteen (15) days written notice by email to the other Party's designated representative, together with a written specification of the grounds for the dispute and the relief requested. By agreeing to binding and non-appealable arbitration, each party understands that they each forever give up and waive any right which each Party may have to resolve any such claim, difference or dispute by court or jury trial. Notwithstanding the foregoing, either Party may bring a proceeding seeking equitable or injunctive relief solely and exclusively in the state and federal courts located in Wilmington, Delaware, to prevent the infringement of intellectual property rights or the disclosure of confidential information. Each Party hereto consents to the exclusive jurisdiction of such courts for the adjudication of any such equitable or injunctive relief, as well as for any such matters that are excluded from or fall outside of this arbitration provision.
